New Highway Along County's Foothills Urged

Two-County Meet Set To Push Proposal For Artery

The proposal to construct a new San Francisco-Santa Cruz highway to skirt San Mateo County's foothills will be discussed and means considered to further the plan at a dinner meeting Tuesday evening, Mar. 1, at Los Altos Country Club, Los Altos, Alfred Spinks, secretary of the Los Altos Chamber of Commerce, announced Monday.

All members of chambers of commerce of Santa Clara and San Mateo Counties are invited to attend, Spinks said.

A proposal will be considered that Santa Clara County join with San Mateo County in construction of the foothill boulevard, which would connect with Junipero Serra Blvd. on the north, follow at the foot of the hills in this county, cross Stanford University, continue through Los Altos, Monte Vista, Saratoga and connect at Los Gatos with the newly rebuilt Santa Cruz State Highway.

The road would run parallel to and between El Camino Real and Skyline Blvd.

"This boulevard would serve the rapidly growing foothill communities with the necessary transportation and complete into San Francisco the route of the new scenic Monterey-San Simeon state highway from the south," Spinks pointed out.

Competent speakers will discuss the subject, Spinks said. All interested citizens are invited to attend.

Labor Parley Set By County League

San Mateo County labor organizations were invited today to send five delegates each to a conference Mar. 5 of Labor's Non-Partisan League of San Mateo County. The conference will be held at the Labor Temple in San Mateo at 2 p.m.

Purpose of the meeting, according to Holbrook Bonney, member of the faculty of Menlo Junior College and temporary secretary of the league, is to acquaint the unions with the ideals and aims of the organization.

State Chairman A. F. Gaynor of the Brotherhood of Railway Clerks and J. Vernon Burke, Web Pressman's Union member, will speak.

Labor's Non-Partisan League was organized to protect union members against anti-labor laws, anti-labor public officials, and anti-labor courts, according to Bonney's announcement.

Hoover Gift Is Heirloom

One of the most highly prized items in the estate of Mrs. James Perrin Smith, 1335 Cowper St., Palo Alto, is a silver table service bell which Herbert Hoover presented to the late Dr. and Mrs. Smith.

In her will, filed for probate Monday in San Jose by her son, Forster Rand Smith of Burlingame, Mrs. Smith provided that the silver bell should go to her eldest son, and in turn should be passed to the eldest son from generation to generation.

Washington Honored At McKinley School

Pupils at McKinley Intermediate School were entertained with a program in observance of Washington's Birthday at a student body assembly Monday.

Warren Salzman presided at the program, which included the salute to the flag and singing of the national anthem by the student body; "History of Washington's Birthday Celebrations" by William Huggins; "Washington's Birthday," a poem, by Patricia Noland; a piano solo by Lavina Faulk; "Something of Washington's Boyhood" by Betty Dilg; "Washington," a poem, by Iva Heath; a piano solo by Louise Du Boise.

Anecdotes and stories of Washington: "Athletic Skill," Betty Walford; "Thoughtfulness," Ruth Anderson; "Smile," Le Roy Reese; "Modesty," Richard Williams; "Punctuality," Beverly Ayer; "Temper," Robert O'Connell, and "Dress," Nettie Schulser.

A pair of bloodhounds imported from the United States is being used to build up a corps of canine sleuths which will be available to Scotland Yard and chief constables in England and Wales.

$2180 Annual Franchise Tax Income Is Seen

City Also Gains Lump Sum Payment From P. G. & E.

A new source of income for Redwood City averaging an estimated $2180 a year was in sight today following decision of the city council Monday to grant a franchise to the Pacific Gas and Electric Co. to serve electricity and gas to residents within the city for an indeterminate period of time.

In addition to the payments in the future, the firm will make a lump sum payment at once of $5000, according to City Atty. Albert Mansfield.

The franchise tax, according to an offer made by the utility and accepted by the council, will be 2 per cent on all power and gas sold here not used for lighting.

LIGHTING POWER EXEMPTED

Fuel for lighting is exempted from a city franchise tax by Sec. 19 of Art. XI of the constitution, it was explained.

Minimum percentage of tax, under the agreement, will be one-half per cent of gross sales of electricity and 1 per cent of gross sales of gas.

The agreement is similar to that reached in other cities, including San Mateo, Mansfield said.

PUBLIC HEARING SET

Before the permit takes effect, a public hearing will be held on it by the council Mar. 21 at 8 p.m. in the firehouse, under terms of a resolution of intention to grant the franchise, adopted unanimously on motion of Councilman Evans A. Fletcher, second of Councilman George W. McNulty.

The power firm has operated heretofore without franchise, such a contract having been made possible by the Franchise Act of 1937, passed by the State Legislature, Mansfield said.

Law Required To Save Funds

Proposed state legislation to raise the standards of county social workers will not affect San Mateo County, according to Dr. Charles C. Gans.

San Mateo County complied with state requirements, Dr. Gans pointed out today, when it passed an ordinance recommended by the State Department of Social Welfare.

Some 12 or more counties in the state, Dr. Gans said, have refused to comply with state recommendations, and the state is now preparing to enforce its regulations in order to preserve federal relief grants.

The legislation will be presented to the special session of the legislature which will probably begin Mar. 7.

Counties for some months have been meeting with state officials in an effort to iron out difference between federal regulations and the "home rule" group.

It was stated that the bill will set up simple standards, providing that social workers will not be required to be especially trained but must meet some fixed requirements as to education and experience.

San Mateo County's ordinance requires that all new social service workers must have the equivalent of a high school education plus two years of paid service in social case work, one of those years under supervision. The department recognizes one year of university training as the equivalent of one year of case work.

SAVINGS OFFERED

● Tires, batteries and oil are features of a special Month-End event effective at Western Auto Thursday, Friday and Saturday, February 24, 25 and 26, according to the local manager of the company. Above, a salesman explains to pretty Claire Sullivan the savings afforded by the event.

2 Slot Machines Seized in Cafe By Local Police

The first slot machines seized in Redwood City in many a day were taken Monday when Police Officers S. E. Douglass and W. H. Thorpe visited Cal's Place at 796 Woodside Rd., picked up the machines, and arrested Cal Bunyard, proprietor.

The machines, of the "jack pot" variety, one a five-center, one a dime machine, were in the dance hall part of the establishment, the officers said.

Bunyard was released on $200 bail bond to appear Thursday before Police Judge Edward I. McAuliffe.

While pin ball machines have made their appearance in Redwood City sporadically and been seized by police, no slot machines have been taken here in more than a year, police said.

YOUNG S. F. MAN TAKES OWN LIFE IN BELMONT HILLS

Financial troubles, details of which were not explained, were blamed by his family today for the suicide near Belmont of Lester Alvin Johnson, 31, San Francisco carpenter and son of a Palo Alto couple, whose body was found in his carbon monoxide filled machine Tuesday.

Seventeen-year-old Richard Rodrigues of Belmont made the discovery shortly after 8 o'clock, although Police Chief Fred B. Johnson, who investigated, learned from residents in the Belle Monti district, where the suicide occurred, that Johnson's car had been seen there as early as 4:30 p.m. Monday.

Coroner William F. Crosby said investigation showed that Johnson had run a hose from the exhaust into the car through a window, locked the doors, started the motor and awaited death. It was necessary to break the door of the car to remove the body.

By the side of the young man on the seat was a note with three words:

"Notify Helen Johnson."

Mrs. Johnson, found at the family home at 934 Athens St., San Francisco, was notified by San Francisco police whom Crosby contacted.

Besides his wife and parents, Johnson, a native of Gilroy, leaves three sisters, Mrs. Ethel Smith and Mrs. Clara Anderson of Palo Alto and Mrs. Amy Alameda of Almaden.

He belonged to a carpenters' union in San Francisco, where he had lived for the past three years.

Potato Growers, Hog Raisers Gain From Control Act

Hog ranchers and potato growers in the north end of San Mateo County will be virtually the only local beneficiaries of the new federal crop control act, according to Max J. Leonard, San Mateo County agricultural commissioner.

Leonard was in Sacramento Tuesday to hear Secretary of Agriculture Henry A. Wallace explain the provisions of the act.

"The possibility of any commodity control for vegetables is remote," Leonard said. "Vegetables were barely mentioned at the conference, and the difficulty of control on such quick annual crops may be readily appreciated.

"Potato growers are now signing up under the old act, and hog raisers have also benefited under previous legislation."

The San Mateo County official pointed out that the new act is supplementary to the soil erosion control, corn-hog pro rate, and the marketing agreements already in force. None is repealed.

Chief difference is that a crop may be brought under commodity control by vote of two-thirds of the members of the particular agricultural industry involved without reference to the amount of land controlled by each. Under the present law, commodity control is dependent on two-thirds of the individual farmers and representation of two-thirds of the acreage planted.

About 1500 attended the Sacramento conference, Leonard said, including B. N. Hill and E. T. Morinan, representing the Grange; Kelly Mattei, county chairman of the conservation program, and George Lagomarsino, representing potato and hog raisers.

Valuable Flower Stolen From Yard

Thieves who in the dead of night stole a valuable blooming Daphne plant from the S. T. Maccubin yard at 274 Edgewood Rd were being sought by police today.

Mrs. Maccubbin told police she believed she heard the thief. She was awakened about 2 a.m. by a "swishing" sound, she said. She searched the house, thinking burglars had entered, but found nothing disturbed. This morning she discovered the loss in the yard. The flower had been pulled out by the roots.

Police planned to increase their vigil in the residential section as a result of this theft and the recent cutting of newly-planted trees on Middlefield Rd., which was confessed to by two boys.

Study Ordered Of Possibility

Possibility of widening the Broadway roadway between El Camino Real and the railroad tracks by narrowing sidewalks from their present 15-foot width to 10 feet was considered by the council Monday night.

City Manager Dimmitt was directed to prepare cost estimates for the work, which would involve setting back of electroliers, removal of part of the sidewalk on each side, and paving of the sides of the street, which then would be 60 feet wide instead of 50.

The move, according to Councilman Fletcher, who urged the study, would aid in relieving traffic congestion on that stretch of Upper Broadway.

Whether the work, if decided upon, should be done by the city or property owners, or with each sharing expenses, will be determined when the cost estimates are completed, it was decided.

OTHER ITEMS HANDLED

Other business before the council:

Walter Vandervoort of San Mateo, operator of a Burlingame bus line, was given a two-year permit to start a bus line in Redwood City, in accordance with a policy approved at the meeting two weeks ago.

An ordinance was introduced prohibiting parking in the alley at Hawes Park.

Proposed ordinance for termite control was laid over pending receipt from the League of California Municipalities of a model ordinance. Opposition to the ordinance proposed two weeks ago was voiced in letters from John E. McCarthy, builder, and the Redwood City District Contractors' Association, Teddy Lauman, secretary, and in person by Thomas Nelson and Emil Steinegger, contractors, all of whom said they believed only provisions of the FHA should be incorporated into the local law.

TREE HAZARDS TOLD

Request of P. A. Bunyard that eucalyptus trees near his place on Woodside Rd. at Gordon St. be declared a nuisance and a hazard and ordered topped or removed was referred for a report to Park Supt. Roger Walsh.

Upon a report from Dr. R. Lee Otis, director, that $1353 appropriated by the city to buy instruments and music for the new municipal band would be insufficient by $177, the council voted to advance that amount with the understanding that it be repaid by the band from entertainments planned for the near future, before the end of the fiscal year June 30.

Dr. Otis said coming events for the band were a concert provisionally set for Mar 24 at Sequoia High School Auditorium; appearance at Easter Sunrise Services Apr. 17; a dance the following Saturday, Apr. 23; two card parties, probably in April; a concert Mar. 6 at the Masonic Home at Decoto.

The matter of the Perry St. parking lot was referred back to Upper Broadway merchants after a committee headed by Councilman Fletcher recommended that the city do nothing more with it except keep it in shape if rented by the businessmen.

CITY HALL DELAYED

Consideration of the proposal to purchase Central School for conversion into a city hall was delayed till next meeting pending return of Councilman Eva, chief advocate of the move, who was absent due to illness.

Consideration of extension of city services to outside areas, such as water service to Friendly Acres, also was postponed due to the fact the newly-appointed committee to study the problem, headed by Eva, had not met.

The customary contribution of $75 was voted to the Boy Scouts.

Request of the Italian-American Progressive Club that attention be given to the overflowing of a creek between Diller and Maple Sts. near El Camino Real was referred to City Manager Dimmitt, who said the problem already was being studied.

HOUSE REPAIRS APPROVED

Permission was given Atty. James T. O'Keefe Sr. for a client of his to make improvements costing $1000 to his recently purchased Romero Estate property at 110 Pine St. after O'Keefe assured the council the improvements would make the house entirely livable and better in many respects than nearby places.

City Manager Dimmitt was instructed to renew the city's $75,000 worth of insurance, securing coverage under a new 8-point program providing protection against disasters of various kinds.

COUNCIL VOTES TO WITHDRAW RUM PROTEST

The Redwood City City Council's protest to the State Board of Equalization against another liquor establishment on El Camino Real has been withdrawn.

On motion of Counciman George W. McNulty, who was absent during the early part of the council meeting two weeks ago when the protest was decided on, the council voted Monday night to withdraw the protest.

McNulty explained that he was acquainted with the "very reliable" relatives of the applicant, Martin Wynne, who proposed to operate the "2321 Club" at 2321 El Camino Real in the building formerly occupied by Jack Doyle; that the building could be used only for selling liquor because of the way in which it is built; that there had been a liquor dealer there previously, and that one dealer more or less on the highway would make no difference.

FELT 'TOO MANY NOW'

At the last meeting, the council, on motion of Councilman James M. Eva, who was absent last night had decided to oppose Wynne's application to the state board on the grounds that there already were too many liquor dealers on the highway. Councilman Evans A Fletcher seconded Eva's motion at the time. Monday night, after assuring the council that he was "willing to reconsider" when McNulty brought up the subject, he seconded McNulty's motion.

onded McNulty's motion.

Mayor Paul A. McCarthy voted "no" on the motion to withdraw the protest, the others—William Hohn, Louis C. Christensen and Robert N. Jones—voting with McNulty and Fletcher.

Despite the fact Councilman McNulty said he had understood Wynne planned to be present to push his application, the latter did not appear.

Discussion of the question brought up assertions that it is difficult to investigate applicants for liquor permits because the state board requires no mailing address for the applicant, or at least does not advise the city council of the address. Consequently, no investigation can be made happens that he is known to some of the would-be seller unless if one. Nor can the applicant be asked to appear before the council.

As a result, it was decided to direct City Clerk B. E. Myers to request the state board to furnish addresses of applicants in the future.

The council has no power of preventing issuance of liquor permits, it was pointed out, but can protest if desired.

Calvin S. Grandi Takes Out Papers For Council Post

Another prospective candidate for one of the three vacancies on the Redwood City City Council to be filled Apr. 12 was in the field today.

He was Calvin S. Grandi of 120 Birch St., local insurance agent prominent in affairs of Italian organizations.

Grandi took out nomination papers at the city hall Monday.

He could not be reached later for a statement as to his intentions.

Others who have secured papers at the hall are Councilmen Louis C. Christensen and James M. Eva whose terms are expiring; Harold F. Anderson; Maj. H. W. Edmonds and Floyd Granger. None have filed the filled-in papers yet, however, having until a month before the election to file.

The third term expiring is that of Evans A. Fletcher, who has not decided if he will be a candidate to succeed himself.

Business firms in Shanghai have been using homing pigeons during the war emergency for the quick delivery of important messages within the city.

Board Plans Library Study

Should Redwood City have a new public library at this time? If so, how much of a library should it be? Where should it be located?

Those were questions before the city library board today as the result of a meeting of that group with the city council Monday.

Convinced in their own minds that library facilities as afforded by the 30-year-old structure on the Jefferson Ave-Broadway corner are entirely inadequate, the board members, headed by Mrs. A. S. Kalenborn, president, presented their case to the council in a 45-minute session which began shortly after 10 o'clock when the council had finished with most of its other business.

LEGION SPONSORS MOVE

Following consideration of all angles of the new library proposal, as urged by Post 105, American Legion, in a resolution adopted last week and presented to the council by Floyd Granger on behalf of the post, the council asked the library board to give full consideration to the case and report back on how much of a structure would be desired, and where it should be situated, providing the library need is considered paramount at this time.

The action was in conformance with the legion's resolution, which asked merely that a study be made of the needs of Redwood City for a new library.

Mrs. Kalenborn led the discussion for her board, pointing out that not only was the library building small—having a seating capacity of 32 when often 100 or more visited it in an evening, and being so cramped for book space that they had to be stacked on the floor under the shelves—but that it was no longer storm proof; that during the last storm water came into the library and plumbing got out of order.

NO ROOM FOR MORE

"Whe have only half as many volumes as libraries in other cities, such as San Mateo and Burlingame, but we can't get more for we have no place to put them," she declared. "We are in the place now where we don't know how to meet the needs of the city."

Only through ability of Miss Wilhelmina Harper, librarian, has the library been as serviceable as it has been, she added.

"We are proud of our service," she averred, "but ashamed of our facilities."

Councilman Robert N. Jones expressed sympathy with the proposal for a new library, saying that although he opposed a bond issue for one six years ago because of the depression which had seen tax delinquencies go up to as much as 15 per cent, he would now be in favor of a similar proposition.

NO VOTE IN APRIL

Mayor Paul A. McCarthy brought up the subject of the need for a new city hall, asking if both that and the library proposal should be on the same ballot. Some councilmen thought it should; some differed.

It was agreed, on recommendation of City Atty. Albert Mansfield, that it would not be wise to attempt to rush through any Apr. 12 election, but that a bond proposal for consideration at the issue if called should be voted on later, at a special election. Answering a question, the attorney declared it would be more expensive to consolidate the city election with the August primary than hold a special election.

While the library trustees said they had no concrete proposal to offer, they estimated a new library and furnishings would cost in the neighborhood of $75,000.

Other trustees who spoke briefly on the subject were O. K. Whittenburg and Dr. Norris Cummings. Sanford Dole and Mrs. Z. T. Thorning, trustees, and Miss Harper also were present. Maj. H. W. Edmonds of the legion also spoke briefly.

It was at suggestion of Councilman Evans A. Fletcher that it was agreed the trustees would formulate tentative plans as to a new building and site, and report back to the council at an informal session at which further consideration could be given to the proposal.

WPA Road Project Wins State Approval

San Mateo County's $837,000 WPA road project has received preliminary approval from the state, has been given a number, and now awaits action at Washington where it is on file, according to U. S. Marshall, county engineer. He expects action on the project before the middle of March.

14-MONTH-OLD BABY DIES

SAN BRUNO, Feb. 24—Funeral arrangements were being made today for Billie Marie Dillard, 14-month-old daughter of Mr. and Mrs. Lee Dillard, auto camp managers. The baby died at Community Hospital following a short illness.

MENLO PARK NEWS NOTES

Memorial services for the 266 officers and men who lost their lives in the sinking of the Maine were held Sunday in Community Theater, Palo Alto, under auspices of Palo Alto Camp 129, United Spanish War Veterans.

Mrs. Peter Bush was music chairman and Fred J. Buenzle, who was chief investigating clerk of the disaster, was general chairman. Speakers were E. K. Ellsworth, Rev. Paul Lang, Capt. William Puckett, Capt. Edward L. Beach, Mrs. Marie Damoth, and Arthur M. Free.

Mayor Byrl Salsman gave an address of welcome. Dept. Insp. William J. Harrison read the names of the dead and Sgt. Pearl Allen gave their ratings.

The bell used during the ceremony, loaned to Palo Alto camp by the U. S. Navy, was tolled by S. W. Voorhees.

The musical program included a violin selection, Miss Victoria Hartman, accompanied by Sylvan Westmore; during reading of first group of names, soprano solo by Isabelle Weeden Lindquist; tenor solo, Victor Pashke; during reading of second group of names, solo by Pashke; duet, Mrs. Lindquist and Pashke; soprano solo, Mrs. Lindquist.

Mrs. L. Gilbert, who was lost in Nevada during the recent storm while on the way to her mining property, has not been found, although a thorough search was made for her. It is believed she is dead as she never reached the mine.

Mrs. Gilbert was a former Menlo Park girl, having lived here with her parents on Hoover St. until her marriage a short time ago. Mr. and Mrs. Gilbert are in Nevada searching for their daughter. The young woman was well known in Menlo Park.

Rev. Father Daniel O'Brien, assistant pastor of the Church of the Nativity, will leave next month for his former home in Ireland. He goes to visit his aged mother.

There was a large attendance at the meeting of San Mateo County Historical Association in the auditorium of Central School Thursday evening. An illustrated lecture on the Stanford family by Harry Peterson was highly interesting.

Mr. and Mrs. J. Simpson and family will be here from the East next month to occupy their home at Atherton. Weeden Bros. is now making necessary repairs on the mansion.

A young businessman of Menlo Park and a Palo Alto belle are to be married very soon when their names will be announced.

Bear Gulch Lake is overflowing owing to the recent storms. Lake Lagunita at Stanford is full. It is from this source the grounds around the university get their supply.

The large oak tree on the Feeley lot on the highway was felled this week to make room for a business building which will be built by the new purchaser of the property.

W. H. Weeden, who has been a member of San Mateo lodge of Elks, was among a group of pioneer San Mateo County Elks honored by that lodge Wednesday night.

Grand Trustee Wayne Millington of Redwood City Native Sons of the Golden West paid an official visit to Menlo Park Native Sons Thursday night. Guests were present from Palo Alto, Mountain View and Redwood City.

Chicken Pox Cases Decrease in County

Chicken pox continued to be prevalent in San Mateo County during the week ending Feb. 19, according to the morbidity report released today by the San Mateo County Department of Public Health and Welfare. The number of cases dropped to 15, with the heaviest concentration in Millbrae.

Redwood City reported one case of diphtheria, one case of erysipelas, and three cases of whooping cough.

New York has 264 attorneys for every 100,000 residents.

The steepest railway in the world is in the canton Ticino of Switzerland.

Retired Architect Of Woodside Dies

Following a long illness, Norman S. Atcheson, retired architect who had lived on Toyon Knolls, Woodside, for the past 10 years, passed away in a San Mateo hospital Monday at the age of 61.

Mr. Atcheson, who came here from Detroit, leaves his wife, Blanche; a son, Douglas, now in the Orient, and three stepsons, Paul Houseman of Atherton, Davis S. Houseman of Redwood City, and Lieut. E. M. Houseman, Ft. Benning, Ga.

The average elevation of Africa above sea level is 2000 feet.

Several Injured In Auto Crashes

Several persons were injured, one of them a Redwood City woman who suffered a broken leg, in week-end automobile crashes.

The local woman was Mrs. Rachel Christensen of Upland Dr., who was hurt in a three-car smashup early Sunday on El Camino Real in Burlingame. Also injured were Mrs. Charles Hurst, San Francisco, broken right arm; Mrs. P. F. Cruse, San Bruno, possible skull fracture, and Charles Hurst, San Francisco, cut lip.

Liberia was founded in 1822 by Negro freedmen from the United States.

CHINESE HERBS

Herbs sold at $1.00 per package. One package is intended to make one large cup of tea (8 ounces) for internal use. Then, if you are satisfied, you can continue the herb treatment, buying additional packages, if needed. If it is inconvenient for you to boil the tea, we will boil it for you.

RELIEVE SUFFERING

No matter what your affliction is, whether of the Lungs, Liver, Stomach, Heart, Kidneys, Bladder; or if you are afflicted with Indigestion, Asthma, Catarrh, Anemia, Rheumatism, Arthritis, Chronic Cough, Constipation, Diabetes, Headaches, Dizziness, Skin Diseases, Stomach Ulcers, Piles, Hemorrhoids, Female Trouble, or any known complaint, come and be made well again by the herbs God put into the ground for the very purpose of healing mankind. CONSULTATION FREE.

Sequoia Graduate To Study Medicine

Hiraku Ishida of Menlo Park, Stanford University senior who was graduated from Sequoia High School and San Mateo Junior College, has registered at Creighton University in Omaha, Neb., where he will take a medical course following his graduation from Stanford this Spring.

Of the $160 cleared by the Sequoia High School Japanese Club on the motion picture it showed recently at the high school, $60 will be spent in repairing and maintaining the Japanese Tea Garden on the Sequoia campus and the other $100 will be used for the purchase of books on travel in Japan and for Japanese prints and art objects for the club's library, it was decided at a meeting of the organization last week.

Dr. Walter H. Brown, director of the Stanford University public health service, was a guest speaker recently before the Sequoia High School social problems class taught by Ronald Anderson. He spoke to the students on marriage problems in line with their current study of the home and family.

More Suggestions Asked for Concert

An appeal was issued today by Max Gelber, director of instrumental music at Sequoia High School, for more suggestions and request numbers to be played at the annual concert of the Sequoia band April 29.

Five free tickets are being offered each of the persons whose selections are included on the final program, and five tickets will be given also to the persons suggesting the best title to replace the hackneyed phrase, "band concert," and the best theme for the program, Gelber said.

M. P. Tax Unit Urges Sequoia School Branch

New Southend Building Instead of Larger Quarters Asked

Basing its plea on a recent announcement of the contemplated enlargement of Sequoia Union High School in Redwood City, the Menlo Park Taxpayers' League Tuesday asked that the school board consider the erection of a building in Southern San Mateo County to serve high school students from that area.

In a communication to Charles H. Merrill of Atherton, president of the board, the taxpayers' league contended that a branch high school in the south end of the county is justified by the size of the student population and the economy and efficiency with which it could be operated.

HIGH TAX VALUE CITED

E. M. Rankin, chairman of the league, quoted county tax assessment figures indicating that better than one-third of the assessed value of the union high school district is contained in Menlo Park, Ravenswood, Las Lomitas and Portola school districts, which would be served by the requested branch building.

The total union district valuation is $33,970,345, Rankin said; that of the four areas named, $12,551,700.

The letter, signed by Rankin, follows:

"Information at hand is to the effect that your honorable board is contemplating an enlargement to the Sequoia Union High School, drawing on a reserve fund for that purpose.

"We believe that the time has arrived when the student enrollment of Menlo Park, Ravenswood Las Lomitas and Portola school districts justifies the immediate consideration of the erection of a high school to serve more adequately these districts.

'ECONOMIC, EFFICIENT'

"We believe that a high school for this area, located in the south end of San Mateo County, is not only justified from the standpoint of student population but also from an economic and more efficient educational standpoint, it apparently being a recognized fact that over and above an approximate figure of total enrollment, a school loses many advantages which the student is entitled to.

"We respectfully request that any contemplated capital improvement or enlargement of the Sequoia Union High School be deferred until the matter of a high school for the above mentioned area has been given due consideration."

Opium Addict Pleads Guilty

John Treagle, 27, Menlo Park automobile mechanic, was granted probation on two counts late Monday by Judge A. R. Cotton but must serve one year in the county jail, with time off for the 90 days already served, for cashing fictitious checks and for burglarizing the Staples liquor store near Menlo Park Dec. 2.

He was admitted to three years' probation on both counts, the sentences to run concurrently. He also must make restitution for the checks.

Treagle and Frederick .H. Fink, alias Roy King, were asserted caught red handed by Officers Rollen Somer of Atherton and Frank Roach Jr. of Menlo Park as they were leaving the liquor store in a loot-laden car. They were captured after a thrilling chase over roads back of Menlo Junior College after the policemen fired two shots.

Fink's trial was continued one week to be set.

PLEADS NOT GUILTY

Mike Pappas, Daly City, charged with a morals offense against a child, pleaded not guilty and waived jury trial. Trial was set for Friday at 10 a.m.

Other criminal cases in Dept. 2: Harold Thompson, Redwood City youth charged with stealing a car and cashing fictitious checks, was granted two weeks more before trial is set.

Trial of Joseph McGuigan on a Daly City burglary charge was continued a week to set.

Vincent A. Thompson was arraigned on charges of driving while under the influence of liquor and causing personal injury.

CHINESE PLEADS GUILTY

In Dept. 1, Gee Toy, San Mateo, on trial for possession of narcotics, pleaded guilty and moved for probation. Wong Sing, Menlo Park, was arraigned on similar charges and the case was continued one week to set.

C. W. Hoffman, former Redwood City engineer facing trial on fictitious check charges, was given one more week to plead.

George A. Secker, charged with intoxicated driving, was also given another week before entering a plea. Secker faces only the one charge, not one also of bad checks, as reported last week.

The United States is Germany's best customer for cameras and other photographic goods, taking 126 metric tons of a total of 669 tons exported in nine months.

ORDER TO SHOW CAUSE
No. 28002

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Application of ENRICO MOLINAROLI, also known as HENRICO MOLINAROLI, also known as E. MOLINAROLI, also known as HENRY MOLENAROLE, also known as HENRICO MOLENAROLE, also known as ENRICO MOLENAROLE, also known as HENRICO MOLINARI, also known as ENRICO MOLINARI, also known as HENRY MOLINARI, also known as H. MORA, also known as HENRY MORA, also known as E. MORA; and HENRY MOLINAROLI, also known as HENRY MORA for Change of Name.

ENRICO MOLINAROLI, also known as HENRICO MOLINAROLI, also known as E. MOLINAROLI, also known as HENRY MOLENAROLE, also known as HENRICO MOLENAROLE, also known as ENRICO MOLENAROLE, also known as HENRICO MOLINARI, also known as ENRICO MOLINARI, also known as H. MORA, also known as HENRY MORA, also known as E. MORA; and HENRY MOLINAROLI, also known as HENRY MORA, all residents of the County of San Mateo, State of California, have this day filed herein their application praying for an order of this Court changing their present names to the proposed names of respectively, HENRY MORA and HENRY MORA.

IT IS ORDERED that all persons interested in the above-entitled matter appear before the said Superior Court (in Department 2 thereof), at the Courthouse in said County, on the 28th day of February, 1938, at 10:00 o'clock A. M. of said day, TO SHOW CAUSE, if any they have, why the said application for change of names should not be granted.

AND IT IS FURTHER ORDERED that a copy of this order be published in The Peninsula Beacon and Redwood City Advertiser, a newspaper of general circulation printed and published in the said County of San Mateo, for four successive weeks prior to the 28th day of February, 1938.

DATED: January 27, 1938.
J. J. TRABUCCO,
Judge of the Superior Court.
K. R. McDOUGALL,
American Trust Company Bldg.,
Palo Alto, California,
Attorney for Petitioners.
(ENDORSED) FILED, Jan 27, 1938.
W. H. AUGUSTUS, Clerk.
By MURA B. STILLESON, Deputy Clerk.
Published in Peninsula Beacon Jan. 28; Feb. 4, 11, 18, 25, 1938.

Motorist in Crash Sought by Police

George Mulcady, 11-year-old Redwood City boy who was injured when knocked to the pavement Monday night at the Broadway-El Camino Real intersection, was reported at Community Hospital today to be "out of danger," but the motorist whose car struck him has not been located.

The autoist stopped, rendered aid, then drove away when an ambulance left with the boy. Police believed he would report the mishap, but had not done so early this afternoon—42 hours after the accident. Since the law permits only a 24-hour delay in reporting such cases, a search was begun by officers for the motorist.

For every dollar spent in the United States by travelers from other countries, eight dollars are spent by United States citizens traveling abroad.

ORDER TO SHOW CAUSE ON APPLICATION FOR CHANGE OF NAME
No. 28047—Dep.. No. 1

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Application of CORNELIUS MEDVECZKY, for Change of Name.

Whereas, Cornelius Medveczky has filed his petition with the Clerk of this Court for an order of this Court changing his name from Cornelius Medveczky to Cornelius Carl Medford:

NOW, THEREFORE, IT IS HEREBY ORDERED that all persons interested in the matter aforesaid appear at Department No. 1 of the said Superior Court at the Courthouse in the City of Redwood City, County of San Mateo, State of California, on Monday, the 14th day of March, 1938, at the hour of 10 o'clock A. M. of said day, and then and there to show cause, if any they may have, why said application for change of name should not be granted.

IT IS FURTHER ORDERED that a copy of this order be published in the Times-Gazette, a newspaper of general circulation published and printed in the City of Redwood City, County of San Mateo, State of California, for four successive weeks next preceding the date set for the hearing thereof.

Dated: February 9, 1938.
MAXWELL McNUTT,
Judge of said Superior Court.
Feb. 11, 18, 25; Mar. 4, 11, 1938.

How to Test Your HEARING
At Home Free
Don't decide you are going deaf until you make the free, no-risk OURINE home test. Merely hearing poorly or having buzzing, ringing head noises may not mean deafness. Septic condition or hardened accumulations often cause poor hearing. Hundreds of other ear-worried people have reported that they hear well again and once more know the full joy of living because just a few drops night and morning of
OURINE
Famous Ear Drops
helped clear away the septic condition and softened up the sound-muffling obstructions caused by hardened accumulations, and good hearing came back. Will you make this free test? Then get OURINE at your drug store at once. Use it as directed. If not joyfully satisfied with results, the makers guarantee your money back for the asking. You risk nothing; you can't lose. The test is free, if you are not helped. Ask us about OURINE TODAY.

DON'T BE FAT!
You can regain a Youthful slender figure.
• Easily • Pleasantly
Thousands have enjoyed this modern method of slenderizing without exercise or rigid diet. O. B. C. reduces because it promotes the combustion of fat, diminishes appetite when taken ½ hour before meals, aids elimination. O. B. C. Capsules — Millions of them — have been used and constantly improved since 1923. One week's trial will convince. Insist on the original O. B. C. at Lit Bros., Stanley, Sun Ray, Woods and at all druggists.
